

# Servo

The diagram consists of a large rounded rectangle with a blue border. At the top center is the title 'Servo'. A horizontal blue line extends from the left edge to the right edge, passing through the 'Servo' title. A vertical blue line descends from the intersection of the horizontal line and the 'Servo' title to the bottom edge. This vertical line is positioned to the left of the 'Firmware' label. The space to the left of the vertical line contains the text 'Stellt Funktionen für die Servoansteuerung bereit.' The space to the right of the vertical line contains a list of files: '- stm32f4xx.h' and '- servo.h'. The label 'Firmware' is located at the bottom right of the diagram.
